

NEHS Family in Need Gift Card Donations

Service project participation and/or inside hours will be given to members who bring gift card donations for our family in need in correlation to the total amount on the gift card(s). In the chart below, you will see how the hours and/or service project credit will be given.

Amount	Option 1 (with service project)	OR	Option 2 (hours only)
\$5	N/A		15 min. Inside Hour
\$10	1 Service Project		1 Inside Hour
\$15	1 Service Project + 30 min. Inside Hour		1.5 Inside Hour
\$20	1 Service Project + 1 Inside Hour		2 Inside Hours
\$25	1 Service Project + 1.5 Inside Hour		2.5 Inside Hours
\$30	1 Service Project + 2 Inside Hours		3 Inside Hours

If a member brings in multiple gift cards, the total monetary amount will determine the number of service hours and/or service project credit given. For instance, if a member brings a \$10 gift card to Whataburger, a \$10 gift card to Chick-fil-A, and a \$10 gift card to Wendy's, they are eligible to get either a service project with two inside hours or three inside hours since they brought in a total of \$30.
